INTRODUCTION

The Puerto Rico Department of Housing (PRDOH) has developed a Citizen Participation Plan in compliance with 24 CFR 91.115 and 83 FR 5844 and applicable U.S. Department of Housing and Urban Development (HUD) requirements to set forth the policies and procedures applicable to citizen participation. The requirements outlined in the U.S. Department of Housing and Urban Development Federal Register Notice, Vol. 83, No. 28 / Friday, February 9, 2018 (83 FR 5844) supersede/waive and replace certain requirements with respect to citizen participation. The Citizen Participation Plan outlined here is separate and distinct from Citizen Participation Plans utilized for the Consolidated Planning process or non-disaster recovery functions carried out by other agencies in Puerto Rico and is allowed by HUD to differ as outlined in the Federal Register.

According to the Federal Register Notice:

“To permit a more streamlined process, and ensure disaster recovery grants are awarded in a timely manner, provisions of 42 U.S.C.5304(a)(2) and (3), 42 U.S.C. 12707, 24 CFR 570.486, 24 CFR 1003.604, and 24 CFR 91.115(b) and (c), with respect to citizen participation requirements, are waived and replaced by the requirements below. The streamlined requirements do not mandate public hearings but do require the grantee to provide a reasonable opportunity (at least 14 days) for citizen comment and ongoing citizen access to information about the use of grant funds.”

This plan is intended to maximize the opportunity for citizen involvement in the planning and development of the Puerto Rico Community Development Block Grant Disaster Recovery (CDBG-DR) program, including but not limited to:

- The amount of assistance expected to be received by impacted communities;
- The range of eligible activities to be undertaken;
- Performance reports;
- Other Action Plan and program activities.

The goal of the Citizen Participation Plan is to provide all of Puerto Rico's residents with an opportunity to participate in the planning and assessment of the PRDOH's CDBG-DR recovery programs. In order to facilitate citizen involvement, PRDOH has coordinated actions to encourage participation and allow equal access to information about the program.

Due to the need for substantial efforts to deploy information, the PRDOH will involve Municipalities, Government Agencies, Non-Profit and Non-Government Organizations as partners to distribute information to citizens, especially those of low and moderate income, those living in slum and blighted areas and in areas identified for recovery through CDBG-DR, and other disadvantaged populations. This includes sending direct communication to these organizations via email, letter, or in person through stakeholder sessions for further transmittal to their constituents. Direct collaboration with Municipalities, Government Agencies, Non-Profit and Non-Government Organizations as partners is intended to increase residents' access to information and is supplemental to communication between PRDOH and residents. In addition to citizen involvement, PRDOH encourages the participation of regional and island-wide institutions.

Applicability

Per 24 CFR 91.115, the citizen participation plan must encourage citizen participation in the development of a plan, any substantial amendments to the plan and performance reports. This plan contains rules and procedures to be followed for citizen participation in activities financed with funding from a CDBG-DR grant, administered by PRDOH, including activities carried out by a local government in accordance with 24 CFR 91.115(e). The plan is meant to provide opportunity for participation of all citizens, including those with disabilities or limited English proficiency. It conforms to the requirements of 83 FR 5844, and any additional special provision established by regulation regarding citizen participation in relation to CDBG-DR grants will supersede what is outlined in this document.

Action Plan

Although 83 FR 5844 waived the requirement that public hearings must be held by grantees in order to disseminate information and collect citizen comments, PRDOH opted to host public hearings regarding development of the Action Plan developed in accordance with 83 FR 5844. In addition, PRDOH may choose to host public hearings related to additional Action Plans or substantial Action Plan amendments. If PRDOH elects to hold such hearings, they will be advertised as outlined on page 7 regarding public hearings. Public hearings will be conducted for Action Plans or substantial amendments for allocations over \$1 Billion.

Action Plan and substantial Action Plan amendments will be posted to www.cdbg-dr.pr.gov to allow an opportunity for public comment for no less than fourteen (14) days and the posting will be communicated via e-mail or letter to municipios, elected officials and others as outlined on page 7.

Action Plans or substantial amendments for allocations over \$1 Billion will be posted for public comment for no less than thirty (30) days.

PRDOH will consider comments on the Action Plan or substantial amendments received in writing, via email, or expressed in-person or at official public hearing events. Additionally, in an effort to permit public examination and accountability, PRDOH will make formal comments regarding Action Plans or substantial amendments publicly available at www.cdbg-dr.pr.gov. PRDOH responses to comments regarding Action Plans or substantial amendments will also be posted to the website.

Action Plan Amendments

Any amendments to the Action Plan will be made in conformity with HUD requirements. Non-substantial amendments addressing minor administrative changes will be presented to HUD at least five (5) business days prior to being incorporated into the comprehensive Action Plan. Substantial amendments will be publicly posted at www.cdbg-dr.pr.gov for no less than fourteen (14) days to allow public input before finalizing and incorporating into the comprehensive Action Plan. Action Plan substantial amendments for allocations over \$1 Billion will be posted for public comment for no less than thirty (30) days.

Citizen participation for substantial amendments to the Action Plan will follow this plan. Amendments to the Action Plan will be sequentially numbered and posted to the website.

A substantial amendment is defined as an amendment that contemplates one or more of the following:

- Change in a program benefit or eligibility criteria
- Addition or deletion of an activity
- Allocation or reallocation of more than 10% of grant funds
